Mr. Vigil presented the Budget to Actual Summary for April. He asked the Board members for input and suggested that any major cuts may have to be taken from capital projects. He proposed to make reductions in operations but those may not be enough to make up the difference in the reduction of the sales tax revenues lost from the RCC. Mr. Vigil stated he would present the line item amounts at the next meeting for their recommendation to the City Council. No action was taken.

12-0838 Consider and take action regarding a funding request for a project for Tacos Y Salsas for a business expansion grant in an amount not to exceed \$5750.
