

Welcome from the Mayor.

On behalf of Sachse City Council and the Sachse Economic Development Corporation, I would like to welcome you and your business to our community. I cannot express how delighted we are to have you in Sachse. Your business plays a major role in maintaining the high quality of life for those who live, work, and play in this community. When businesses in Sachse succeed, the entire City succeeds.

Sachse currently has a population of just over 29,000 residents. Believe it or not, at the turn of the century just 9,700 people called Sachse home. There has been impressive growth in our region and this trend does not appear to be slowing any time soon. This fact, paired with our friendly residents, supportive City Council, and responsive staff make Sachse a great place to run a business. I myself run a small business and understand the amount of hard work that goes into ensuring things operate smoothly. I also know that having people in your corner is a major advantage. All of us here at the City of Sachse are committed to promoting a favorable economic environment, and will do our small part to ensure that your business thrives.

This welcome packet contains information and resources provided by the City and other surrounding entities to assist new and existing businesses. I hope you find this information helpful and should you have questions or need assistance, please contact the economic development team in the City Manager's Office at 469.429.4764 or visit our website at www.CityofSachse.com.

I wish you and your business much success, and thank you for all you do.

Mayor
Jeff Bickerstaff
